## INTRODUCTION

At Majodina Group we stay true to our vision to improve the quality of life in Africa through infrastructure development & hygiene. Majodina Group have subsidiaries of Cleaning, Construction, Security & PPE Supplies.

CLEANING

CONSTRUCTION

PPE

SECURITY

Majodina Group (Pty) Ltd was established in 2013 and has over the years evolved to become a specialized Cleaning, Hygiene Services, Construction, PPE & Security provider in South Africa. Our strategic and operational goals are guided by our responsiveness to the ever-changing environment, delivery of quality services we rendering and a culture of empowerment, integrity and accountability.

Majodina Group (Pty) Ltd is a 100% Black Woman owned Business and has a Level 1 BBBEE status. We believe that Majodina Group enjoys one of the lowest turnovers of staff in the industries we serve. This essential continuity of key personnel has ensured total consistency in service quality. Our employees are the key to our successful and growing business. Careful selection, training and support are of upper most importance.

### Our Vision Statement

To be a recognized leader in the industries we serve in South Africa and then Africa; while maintaining our authentic level of service founded on basic core values of integrity and partnership.

### Core Values

Our work will be guided and informed by our beliefs and commitments to: Customers first: We make every decision and measure every outcome based on how well it serves our customers.

### Our Mission Statement

To promote economic growth and independence for a diverse group of Business Owners by providing environmental cleaning, construction, PPE & security solutions to all our clients. We are on a mission to enhance the associations we partner with; while operating in an ethical and socially conscious manner.

### Innovation

**Thinking big:** We never settle – in everything we do, we challenge our ideas of what's possible in order to better meet the needs of our customers.

## OUR ETHOS

think.

Majodina Group believes in carefully and methodically thinking about every aspect of a project. Taking the time to think about the individual requirements and dynamics of each element of a project ensures that Majodina Group can focus on surpassing the goals of our clients.

implementation.

Ensuring the implementation process is managed effectively is the most crucial aspect of creating a successful outcome for any project. Majodina Group (Pty) Ltd ensures the requirements of all the stakeholders are realized through the implementation process while creating an efficient, and functional operation.

## COMPANY BBBEE

Majodina Group (Pty) Ltd is committed to Broad-Based Black Economic Empowerment ('BBBEE'), and is proudly accredited as a level 1-contributor. This status allows our clients to claim 100% of the 'value-of-spend' with us as BBBEE procurement.

## OUR INDUSTRIAL FOCUS

Majodina Group (Pty) Ltd brings together experts in the fields of Construction, Cleaning & Hygiene Services, PPE and Security Services. Our primary focus is on infrastructure development across Africa drawing on the unique skill sets of the individual companies within the Group.

## OUR PEOPLE

We passionately build and maintain solid relationships of respect among ourselves, our customers and our suppliers, embracing openness, trust, teamwork, diversity and relationships that are mutually beneficial.

## OUR FOOTPRINT

We combine a strong local footprint with proven national alliances allowing us to offer a diverse range of sustainable solutions to our national client base.

### All Office Equipment

Majodina Group is committed to providing a safe environment and work place for all our employees, subcontractors, and clients. To ensure the successful implementation of the QHSE system for every project and it's continued monitoring and improvement the following procedures are followed:

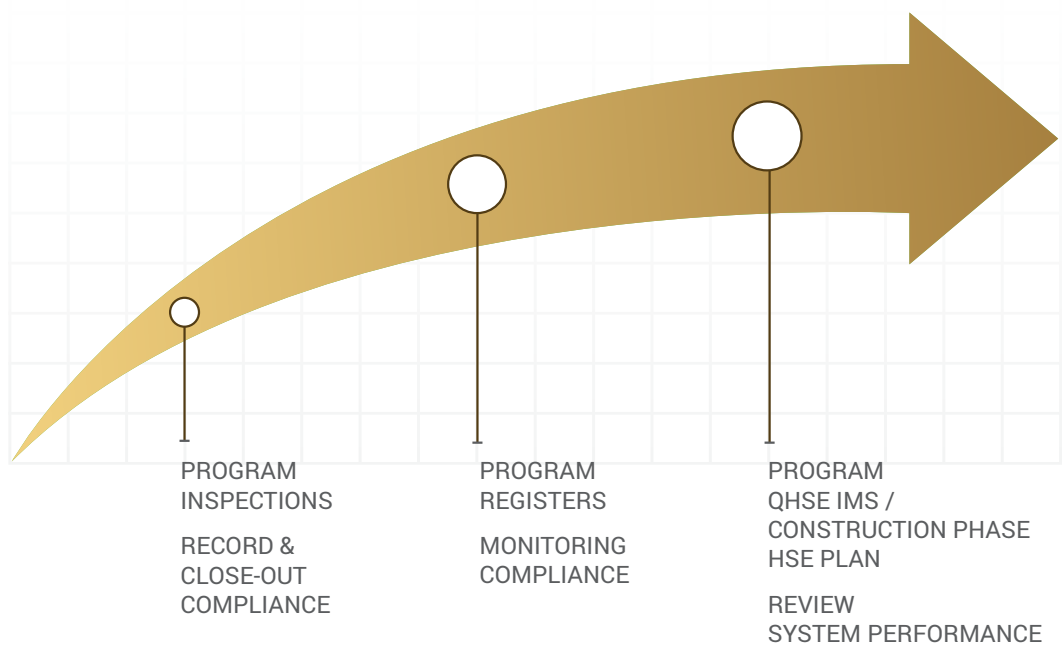

Developing and maintaining a framework for setting, reviewing and achieving measurable QHSE objectives and targets.
Complying with the requirements of local legislations, codes of practice and exceeding industry standards.
Providing a system to identify hazards, assess and manage risks and analyse the impacts of every activity in order to prevent personal injury, occupational illness, property damage, and environmental impacts
Ensuring that all our employees, consultants and contractors are trained and competent to be able to run each of the processes within the QHSE system for each role and process
Ensuring that the impact of all our activities on the environment are minimised.
Having established contingency plans adequate to address all of the identified emergency scenarios.
Ensuring that there is a swift monitoring / review mechanism for QHSE to ensure that the system is working effectively and has the ability to provide for continual improvement of all the processes and outcomes of the system.
